## **PREFERRED CUSTOMER AGREEMENT**

Please read & understand the following before signing.

The **PREFERRED CUSTOMER AGREEMENT** has the following coverage:

This contract will cover ONE full service inspection per year. This contract also covers cleaning coils, condensate pumps, electronic air cleaners and humidifiers, if necessary. Replacing 1” disposable filters or washable filters will be included, if a specialty media, etc. *will not be included*. Any additional repairs at the time of the inspection or during the annual contract will be priced at our “Preferred Pricing” which is found in our current “Flat Rate” pricing book which is a 10% discount. If repairs are not listed in the “Flat Rate” pricing book you will still receive a 10% discount.

When Payment is received we will contact you in either spring or fall to schedule your inspections. To check an air conditioner accurately outdoor air temperature must be above 65 degrees.
